

Thank you all for coming out to audition! It was so much fun watching you learn and perform the material. I am looking forward to a great show and a terrific group of actors to work with. I was able to cast all those who auditioned, so if you do not see your name, please reach out. Please read the cast list several times since many of you are cast in multiple roles.

Tonight's cast meeting will be at 5:30 and we will run a music rehearsal after to get things started. The rehearsals are only T/Th until the few weeks before the show. Looking forward to seeing everyone tonight! Let's make this magical car fly!
