STANDARDS OF CONDUCT

THE ARTS CENTER LOBBY, STAGE TOO & PUBLIC PLACES

One of the focal points of our instruction is to encourage respect, good manners, & structure in our classrooms. We would ask that you partner with us in reinforcing these behaviors throughout our facility, both in & out of the classrooms.

- Treat all Foundation of Arts employees, students, & parents with respect.
- Remain quiet in the lobby & waiting areas.
- Keep cell phone ringers turned down & all cell phone conversations at a respectful volume for those around you.
- Keep children (students & siblings) quiet & occupied while waiting.
- Put all bags under the benches so that others may have a seat available to them.
- Keep children away from classroom doors & the stairwell leading up to the loft when classes are in session.
- Prevent your children from running in the facility.
- Throw away all trash before you leave.
- Take your children outside (weather permitting) if they become disruptive.
- Refrain from competitive and/or unkind conversations with other parents.
- Do not leave siblings unattended.

Families who are consistently observed by FOA staff disregarding these standards may not be allowed to enroll for classes in the future. (Implemented October 13, 2009).

The Foundation of Arts reserves the right to cancel any class that does not meet the minimum enrollment requirements. We also reserve the right to close classes that are at their maximum capacity.

DANCE INSTRUCTION - ONLINE COURSES & ZOOM
*****ONCE PURCHASED, VIDEO LINKS MAY BE KEPT FOR REVIEW**
UNTIL THE END OF THE YEAR, THE THIRD CLASS IN EACH COURSE
IS A ZOOM CLASS FOR INSTRUCTOR/STUDENT FEEDBACK.

KEY CLASS DESCRIPTIONS

- **Hip Hop and Praise Dance** will focus on hip hop and lyrical choreography designed for Christian worship music.

- **Pre-Pointe** is a class designed to prepare students for pointe work. It is not a technique class, but it will be required if the teacher deems the student is ready for pointe training. Intermediate students take this class unless otherwise directed.

- **Theatre Lab** goes deeper into musicality, dialogue and monologue timing, and more enhanced choreography. Advanced Musical Theatre Performance may be taken with a Dance or Art class to increase the student's cross-genre repertoire. Theatre Lab, for the most experienced students, requires individual responsibility, discipline, and self awareness in accessing the education provided. A list of goals to be achieved and evaluated in Theatre Lab will result in theatre experience and preparation for future college auditions, resumes, etc. Theatre Lab is the equivalent of two classes.

- **Adult Painting** is a review/introduction of the basics (line, shape, color, etc) and how to apply them to artwork. A deeper look at art history and techniques used, such as brush application and conceptual properties. Start each class with a technical lesson and the remaining time will be used to refine your artwork. Each "lesson/segment" may be done over the course of a couple of classes to give each student time to give their painting the attention it requires. No specific theme requirements throughout the course, open to subject, but will go over the technical properties of portraiture, still life, and landscapes. Will be held as an "open-studio" for most of the course and students are encouraged to go at their own pace.

- **Coffee House**; prep and sing in the next FOA Coffee House event. This 6 week class provides the opportunity for you to sing for an audience in Stage, Too.

- **Vocals**; from a barbershop quartet to eight part harmonies, this class focusses on blending with others and soloist techniques. Please note that this class is for students aged 12-17.

GENERAL BALLET Q&A

Q: What should be in my child's dance bag?

A: Every ballerina should be properly prepared for class. Keeping the following items in her dance bag will help ensure she is always prepared: pink ballet shoes, pink tights, a solid color leotard, a skirt if desired, bobby pins and a rubber band, a brush, and hairspray for flyaways. Always remember to pack a water bottle!

Q: What is your policy on in-class injuries?

A: Instructors are trained to let parents know ASAP of injuries that occur in class. If a student sits out multiple weeks in a row with the same injury, we will ask parents for a doctor's note. If a doctor's note is unavailable, we may request a meeting with the parents to ensure we are providing for a student's needs in the best way possible.

Q: If I'm transferring from a different studio, should I register for the same level I took at my previous studio?

A: Not necessarily. The nature of any dance studio is that we each adopt our own parameters for defining how we levelize our students. Speak to the staff member assisting you with registration. They will be able to guide you on what level to begin in. Often transferring students are switched to a different level based on their performance the first few weeks of class. Once again, this is not a demotion or promotion; rather we are finding the right placement for students to learn and thrive based on our unique levels.

Q: How do I do a dance bun????

A: Every ballerina should have her hair pulled away from her face and secured in a bun. First make a ponytail, and then it can be wrapped around and secured with bobby pins to form a bun. To further secure the bun, a hairnet can be used around the bun to control any pieces of hair that have escaped. Bobby pins and hairspray can be used to secure flyaways. YouTube also has many great bun tutorials. Still unsure? Ask your child's ballet teacher for her favorite tips and tricks.

Q: How long will my dancer stay in each level?

A: There's no set amount of time, but students can expect to spend several semesters in each level. This gives your dancer time to master skills needed for next level.

Why we are pro-"cross genre"

We value a well-rounded education in the arts. Exposure to multiple genres opens a student's eyes to how much the arts have in common and has proven to enable students to learn more about the genre in which they choose to emphasize.

EN POINTE Q&A

Q: Which ballet levels are required to take Pointe/Pre-Pointe?

A: None of our dances are required to take Pointe/Pre-Pointe classes. However, if a student desires to develop their skills in that way, Pre-Pointe classes can be taken by Intermediate or Advanced students. Our instructors will monitor and evaluate our Pre-Pointe students to see who is ready to advance to Pointe classes. Obviously, all students who are en pointe will be enrolled in a Pointe class.

Q: Who decides whether I am ready to wear pointe shoes?

A: In total, two instructors must give the all clear that a ballerina is ready for pointe shoes. These include the instructor who currently teaches her class level, the instructor who teaches Pointe/Pre-Pointe (or another one of her instructors, if these two are the same), and one other member of our ballet staff.

Q: Can I register for private Pointe/Pre-Pointe classes to “speed up” pointe processes/further learning?

A: Of course! We encourage our students to take charge of their dance education. However, privates are only available to our students currently enrolled in our semester-long classes. In order for these privates to truly reinforce what students would be learning in class, we recommend reaching out to one of our Ballet Leadership committee members for lessons. These instructors are the only private dance instructors who can speak to a student’s improvements and readiness for pointe shoes at The FOA. Please inquire for contact information.

Q: Is there a minimum age required to be en pointe?

A: No. There are many factors that go into considering a student for pointe shoes. While age/level of training can play a critical role in influencing these factors, we do not want to hold students back by establishing a minimum age requirement.

Q: I am already dancing en pointe at a different studio. Can I dance en pointe at the Foundation of Arts?

A: Each of our requirements for pointe dancers are deliberately instituted after conversations with our Ballet Leadership Committee, our staff, local physicians, and recommendations from professional studios. Each of these requirements must be met regardless of your experience at a different studio. Given you are approved to dance en pointe at the Foundation of Arts, each new student will be required to register for a minimum of one semester of Pointe/Pre-Pointe. If you are a transferring student interested in dancing en pointe, please inquire for more information.

EN POINTE Q&A

Q: Are all dancers working toward dancing en pointe?

A: No. If you are a student who is not interested in dancing en pointe, you do not have to!

Q: Is there a Ballet level only for pointe ballerinas?

A: Not at this time. Advanced level will have both pointe and pre-pointe dancers. Pointe class will have only dancers en pointe.

Q: What can parents/students do outside of class to ensure ballerinas will be performing to the best of their ability in class and on stage?

A: We know, especially in this day and age, most likely your classes here are not your only commitment. We know families are busy, and we also know the nature of our programming asks a lot from our students' support systems. However, in order for our dancers to be given the best training possible, they must treat themselves like an athlete outside of class. Meals consistently unbalanced in proteins and fiber, irregular eating habits, lack of adequate rest, over-commitment, etc. contribute immensely to a dancers' potential in class. We ask that each family encourage their students to form healthy habits that support them as a dancer and throughout their daily lives.
