

## Swan Lake Cast List

Congratulations Cast of Swan Lake! There were some tough decisions to make in the casting process, but we have the makings of a great show! I look forward to working with every single one of you and can't wait to see how you bring this story to life!

If you were not cast, please realize that it does not mean you had a bad audition, but that we are holding to the age requirement of 7 for this show. There are always more performance opportunities for all ages!

Thank you all for your commitment to this show, let's get ready to work hard and create a beautiful story!

-Abi Mason
