

First, we want to thank everyone who came out to audition for our production of Come From Away. We were blown away by the talent and heart each person brought into the room, and with only 12 roles to fill, it made casting this production incredibly difficult.

Not being cast is never a reflection of your talent. It often comes down to finding the right combination of actors that can tell the story being told.

If you did not receive a role, we hope to see you at future auditions for our upcoming productions.

Congratulations to the cast of Come From Away! We look forward to this journey together. We will see you at 5:30pm tonight for the Cast Meeting/Table Read in Stage Too.

COME FROM AWAY
